Areas of capacity building

Broad areas in which capacity is needed

- Information exchange and data management including participation in the Biosafety Clearing-House

Needs and priorities

Specific needs and priorities

- Mechanism for coordination among national regulatory authorities and processes**

Extent of implementation

- Partially addressed

Preferred means

- Conferences and other fora
- Funding support
- Exchange programmes, internships, study tours, etc.

Major target groups

- Decision / policy-makers (e.g. Ministers)
- Government regulators / administrators
- IT, BCH and data / information managers

- System for management of records related to LMO import applications and decisions**

Extent of implementation

- Not addressed

Preferred means

- Funding support
- Membership with professional bodies / networks
- Exchange programmes, internships, study tours, etc.

Major target groups

- IT, BCH and data / information managers
- Government regulators / administrators
- Customs officials

- Access to information communication technologies (ICTs)**

• **Facilities for public access to biosafety information and means of access to the Biosafety Clearing-House**

Extent of implementation

- Adequately addressed

Preferred means

- Education and training
- Membership with professional bodies / networks
- Technical assistance and advice

Major target groups

- IT, BCH and data / information managers
- Interest groups (consumer groups, farmers, NGOs, etc.)
- Customs officials

• **National biosafety website**

Extent of implementation

- Partially addressed

Preferred means

- Guidance / training materials
- Technical assistance and advice
- Funding support

Major target groups

- IT, BCH and data / information managers
- Interest groups (consumer groups, farmers, NGOs, etc.)
- Mass media / extension workers

• **National system (policy, procedures and mechanisms) for biosafety information management**

Extent of implementation

- Partially addressed

Preferred means

- Technical assistance and advice
- Exchange programmes, internships, study tours, etc.
- Guidance / training materials

Major target groups

- IT, BCH and data / information managers
- Government regulators / administrators
- Decision / policy-makers (e.g. Ministers)

• **Equipment (hardware and software) to facilitate national participation in the BCH**

Extent of implementation

- Minimally addressed

Preferred means

- Funding support
- Technical assistance and advice

Major target groups

- IT, BCH and data / information managers

• **Establishment of national biosafety databases**

Extent of implementation

- Not addressed

Preferred means

- Funding support

Major target groups

- IT, BCH and data / information managers

• **Non-Internet access to the BCH**

Extent of implementation

- Not addressed

Preferred means

- Funding support
- Technical assistance and advice

Major target groups

- IT, BCH and data / information managers

• **Systems for data and information security and back-up**

Extent of implementation

- Not addressed

Preferred means

- Funding support
- Technical assistance and advice
- Guidance / training materials

Major target groups

- IT, BCH and data / information managers

• **Systems for data validation and quality control**

Extent of implementation

- Not addressed

Preferred means

- [Not specified]

Major target groups

- [Not specified]

• **Mechanism for biosafety information gathering and reporting**

Extent of implementation

- Not addressed

Preferred means

- [Not specified]

Major target groups

- [Not specified]

• **Training in the use and management of the BCH central portal**

Extent of implementation

- Minimally addressed

Preferred means

- Exchange programmes, internships, study tours, etc.
- Guidance / training materials
- Technical assistance and advice

Major target groups

- IT, BCH and data / information managers

• **Access to information on available technologies relevant for biosafety**

Extent of implementation

- Minimally addressed

Preferred means

- Funding support
- Technical assistance and advice

Major target groups

- IT, BCH and data / information managers

- *[Not specified]*
